ARRIVING AT SCHOOL
We have a soft start system which means that the children can arrive at school anytime from 8.35 to 8.55. Children may enter through either of the gates and are then accompanied to their class by the Teaching Assistants.

GOING HOME
• At the end of the day, please make your way to the infant playground
• The children will line up outside and we will dismiss them to you when we see you. Please bear with us for the first few weeks as the process might be a bit slower while we get to know which parent belongs to which child
• If for any reason you are running late please contact the school office to let us know
• When you are collecting your child during their first few weeks of school please come to the playground – don’t worry if the playground gate is locked it will be unlocked when the children are ready

All of the above are subject to meeting Government Guidance based on COVID-19.
