Welcome

Forest School

WE NEED YOUR HELP! After the sad passing of the wonderful Mrs Mitchell, Forest School has been put on hold in order for Miss Isaac and Mrs Speller to be trained to become Forest School leaders. The staff have enjoyed the training and are keen for sessions to resume. Miss Hail is also forest school trained and is just as keen to develop outdoor learning for the children at Leesons.

In order for forest school to be as safe and inviting a learning environment as possible we would like to invite interested parents who could form a working party to help clear and tidy forest school for the children to enjoy. It will also allow you, as parents, to see the learning environments your child will have access to. We plan to do this after school on Monday 17th September. This is an adult only request as for children to go on site we would need to do a risk assessment. We would therefore ask that you do not bring your own children with you to help clear the site.

If you are able to help please contact the school office and add your name to our volunteer list. Bring your wellies and scruffs and prepare to get active!!

Thank you in advance for your support!

Miss Isaac, Mrs Speller and Miss Hail
